

Dear Parents,

As we stand on the threshold of a new academic year, our anticipation grows for the return of our students to the halls of Valley Forge Academy Qatar. Before we embark on this new journey, we would like to express our heartfelt gratitude for your unwavering support and collaboration.

Today, we are reaching out to provide you with significant updates regarding our food services in preparation for the upcoming academic year.

In the days following our team's return to campus this Sunday, our dedicated members have been diligently working to ensure that all aspects of the school are meticulously prepared for the students' arrival. In this light, we want to address a specific area that significantly affects our students' daily routine: our food services.

During the summer break, our team has been actively coordinating to ensure the seamless continuation of our existing food service arrangement. We are pleased to confirm that our trusted food service provider, Jazz Café, will continue to serve our students. Jazz Café, which initially started as a coffee shop and expanded into school catering, boasts a dedicated team of more than 65 staff members. Their commitment to providing exceptional service has been proven across multiple schools in Doha.

A remarkable aspect of Jazz Café's offerings is their unwavering commitment to using 100% organic ingredients in their meals. This ensures that our students will enjoy not only nutritious but also delightful meal options.

To provide a seamless experience, Jazz Café will be working diligently until the school's start date on August 27th. Their objective is to ensure that every aspect aligns harmoniously with our standards and requirements.

We have full confidence that our students will continue to enjoy the same high-quality food services that Jazz Café has consistently provided.

Jazz Café employs an efficient cashless system for meal transactions. Parents will have the opportunity to view and select meal options for their sons through The Genio Cashless Canteen System, which can be found via this link: [Instruction Manual_Genio.pdf](#). This system is designed to simplify the process for both parents and students, providing a hassle-free experience.

Furthermore, an activation email containing your user ID and password will be sent to your registered email ID with VFAQ. Please make sure to keep this information accessible.

VALLEY FORGE ACADEMY

قطر QATAR

To ensure convenient transactions, your sons will be provided with a "cashless card" for use within the school canteen. By downloading the Genio Mobile Application from the App Store or Play Store on your smartphone, you can further enhance the convenience of managing your son's canteen account.

We deeply appreciate your understanding and support as we make these preparations to ensure a seamless start to the new academic year. Thank you for your attention, and we eagerly anticipate a successful and fulfilling academic year ahead.

Warm regards,

VFAQ Administration
